ACTIVITIES

DEBATING CLUB

This year's debating club is one of Asbury Park High School's busiest organizations. It plans to enter more than ten contests, dealing with varied phases of forensic activities, ranging from poetry reading to humorous interpretations.

The club has over twenty active members who meet weekly with the advisor, Mr. Friend. The club officers are: Joel Blank, President; Andy Stiber, Vice-President; Jay Gaines, Treasurer; Linda Klitzman, Secretary.

The club is concentrating mainly on the national debate topic: Resolved: Should the United States abolish agricultural price supports? In the future this group plans to take up any debatable articles of interest and importance.

SCIENCE CLUB

The Science Club has grown considerably during the past two years, fulfilling its purpose of promoting the general interest of science throughout A. P. H. S. The Science Club meets twice a month, the only requisite for membership being an intellectual curiosity in one of the branches of science.

The club has presented to the entire school many demonstrations and lectures. Some of the members plan to enter the New Jersey Science Fair with hopes of winning a college scholarship. The Science Club tries to provide an outlet for those students who have a deep interest in some phase of science and cannot pursue it to its fullest extent in the classroom, due to obvious limitations.

DRIFTWOOD

The 1957 Driftwood is the biography of that very special year we spent as members of the senior class Asbury Park High School.

It is the story of many people – in the administration, the teachers, the coaches and the quarter-thousand students who saw it happen.

With word and picture, we have tried to piece together the story of our final, glorious year at APHS. Our deep thanks go to our advisor, Peter J. Maher, for his guidance.

If, on a distant day, you re-read the Driftwood and relive for a moment the happiness of your high school days, we, the Driftwood Staff, will be rewarded.

PRESS CLUB

The purpose of the Press Club is to inform the readers of the Asbury Park Press of the activities in the high school.

Articles are assigned each week by editors Arlene Cohen and Marcia Goldberg. If a member has 16 articles printed in the paper, he is entitled to go on the annual Spring trip to the Cloisters, Bear Mountain and West Point in New York.

School advisor to the club is John Monaghan. Fritz Cleary, Editor of the Press School Page, also advises and lectures to the club.

The Junior Classical League, or, more popularly, the Latin Club, promotes interest in the Roman classics and culture. Sophomore, junior, and senior Latin students who maintain an average of eighty per cent or more meet monthly under the guidance of Mrs. Rachel Vecchione.

The sale of candy and book covers by club members helps to defray the cost of the annual Roman Banquet and the cost of an award which is presented annually to the sophomore and senior with the highest average in Latin. FRENCH CLUB

Le Cercle Francais has been under the supervision of Mrs. Frank Bryan since the club began thirteen years ago. A student is eligible for membership after he or she has completed one year of the language having maintained an average of at least eighty percent.

The primary purpose of the French Club is to give its members an opportunity to learn about the French people and their customs. This is accomplished by having guest speakers and showing movies to illustrate the French people's way of life. Throughout the year members sell school pins and charms to defray expenses for the club's annual Christmas banquet. At the end of the year an award is presented to the most outstanding French scholar who has completed three years of the French language. The French Club officers are Ortrun Koch, President; John Layton, Vice-President; Mary Pregnall, Secretary; Barbara Towell, Treasurer.

GERMAN CLUB – Back row L. to R.: Stephen Mogelever, Eugene Izzo, Manfred Geiger, Robert Vetter, Aivars Delle, Griffin Littell, Peter Seratelli, Alfred Forsyth, David Klinger. GERMAN CLUB

The German Club, the "Lustige Gesellschaft", was reorganized under the guidance of Miss Elsa A. Buch in 1949. The purpose of the club is to promote interest in the German language and customs. The meetings are held on the third Thursday of each month. An average of 80 per cent or better is the membership requirement. The highlight of the year's activities is the annual club banquet which is held in May.

The band plays at all football games, home basketball games, assemblies, the Halloween Parade, WJLK radio broadcasts, the Balloon Parade, and at Commencement Exercises.

Admired all over the state, the quality of the A. P. H. S. band is the result of many hours of hard work. Mr. Frank Bryan, conductor, requires daily rehearsal and weekly instruction for every band member. He gets results.

COLOR GUARD

Besides marching at football games the color guard presents the colors at the basketball games and appears in several parades during the year.

The girls are chosen in the spring of each year on the basis of marching ability and posture, scholastic ability and general personality.

JAY VEE CHEERLEADERS – Gail Musto, Carol Dodd, Susan Adams, Pamela Proctor, Sally Van Wickle, Sandra Spino, Geraldine Poeter. Kneeling: Elaine Kuchen.

One of the most important and best known groups of girls is the cheerleaders. These girls cheer at all our football and basketball games both at home and away.

Although the girls might seem to have it real soft, their job is not an easy one. The cheerleaders are required to attend three practices a week and to spend much time creating and perfecting new cheers. It is a tough task to bring out the school spirit. Our cheerleaders with their captain Karen Kellers, were certainly successful and will be remembered for it.

TWIRLERS

TWIRLERS – Back row L. to R.: Yvonne Kelly, Pat Sykes, Edwina Parker, Peggy Ann Berardesco, Nancy Fieber, Beverly Townsend, Joan Easu, Elise Bailey, Barbara Berkowitz, Vonda Lee Parker. Next row: Laura Lubinsky, Patti Leibhardt, Linda Schreiber, Mary Alice Adkins, Judy Bernstein, Joan Allen, Pat Wills, Kathy Burke, Ann Skold, Front row: Barbara Mazza.

One of A. P. H. S.'s greatest assets is its twirlers. Originally composed of thirteen girls, the corps has grown in size to twenty-five girls and in stature to one of the organizations of which the student body is most proud.

Organized solely to inject a splash of color and glamour into football and basketball games, the twirlers under the direction of Mr. Wallace Gleason, fulfill their purpose and more. The girls' special baton twirling, tap and toe dancing, acrobatic and rhythm dancing, and precision marching provide entertainment from September to March such as is found in few high schools.

SENIOR PLAY

"Our Hearts Were Young and Gay" by Cornelia Otis Skinner and Emily Kimbrough, presented by the Class of '57 November 2nd and 3rd, has been hailed as the season's greatest theatrical event. The cast, under the direction of Miss Elsa Buch, that Great Lady of the A. P. H. S. Theatre, came through the hazards of stage fright and line fluffing with flying colors.

"Our Hearts Were Young and Gay", a three-act comedy (and we do mean comedy!), portrays the trials and tribulations encountered by two girls taking a deluxe trip to Europe. The situation was somewhat complicated by a drowning man, an attack of measles, bedbugs, and love.

But time healeth all things (including bed bug bites) and the girls lived happily ever after.

"A smash hit!" -Brooks Atkinson, N.Y. Times.

FOOTLIGHT CLUB

The Footlight Club was organized in 1951 by an enthusiastic group of sophomores interested in the techniques of the theatre. Since then, talented students have presented annually a well-received play for the school assembly. In addition, two radio programs are produced each year.

The plays are chosen, cast, and directed by volunteer committees. This is valuable preparation for Senior Dramatics (and possibly for Broadway).

The officers this year are Judy Mogelever, President; Virginia Plasteras, Vice-President; Fran Hertzberg, Secretary; Elizabeth Wetzler, Treasurer. Faculty Advisors are Miss Catherine Campbell and Mrs. Claire K. Angrist.

CHORUS

The Girls' and Boys' Glee Clubs under the direction of Miss Maude B. Westcott are available to all students interested in singing.

Each member obtains valuable experience in group harmonization and solo singing.

Class rehearsals are held daily in the Auditorium, while special work is done after school in East Cafeteria in preparation for many programs.

At various times male and female voices combine to form a mixed chorus.

A repertoire is prepared by these groups for such occasions as the Christmas Concert, WJLK radio broadcasts, the Spring Concert, and Graduation.

MR. COLEMAN'S STAFF

Mr. Coleman's office staff was formed six years ago when a separate attendance office was established in Room 104. The girls are kept very busy. They assist in keeping a record of attendance, tardiness, cutting, excuses, and call students wanted in the office.

FOOTBALL 1957

With only five returning lettermen, Coach Bruno and Coach Rinehart produced a surprisingly strong line and a fast backfield in this year's team. It was strong and fast enough, in fact, to give the Bishops a 7-1-1 record. The squad's one loss was Asbury's third in four years.

Three Bishop men earned positions on the first string All-Shore Team. Our two backfield speedsters Nate Bruno and Frank Budd were recipients of this honor as was lineman Skip Holland, who made All-Shore last year also.

The Bishops, known for a strong ground offense, increased the use of an aerial offense this year which proved most successful. The highlight of the new attack was the sixty-five yard pass play which won the Leonardo game Thanksgiving Day.

The Bishop Frosh began their season successfully with four wins, but their last two adversaries proved to be too much for them to handle.

BASKETBALL 1957

The 1956–57 Asbury basketball team was not the winningest in history, but they were certainly one of the most exciting. Thirteen of their twentyone contests were decided by the margin of one basket. Their final record was 13–8.

Nate Bruno and Dave Gibson, two of the state's finest guards, spearheaded an attack which brought the Blue Bishops the Round Robin and Shore Basketball titles, plus wins over traditional rivals Neptune and Long Branch.

The two backcourt men, 5' 9" and 5' 8" respectively, cut many a giant down to size. Their ability to score on the fast break and to hit with consistency from the outside were their greatest assets.

Jim Hoctor was the team's leader in rebounds, field goal percentage, free throws and free throw percentage. His top performance came on a 19–point spree against St. Rose in the Round Robin opener.

Skip Holland, Frank Budd and Bruce Socolow shared the forward spots. Holland and Budd were strong rebounders, while Socolow helped to pull several games out of the fire with his clutch shooting.

One of the outstanding features of the season was the prolific scoring of Charlie VanWickle, a Jayvee player. He hit for better than 25 points in each of his final five tilts.

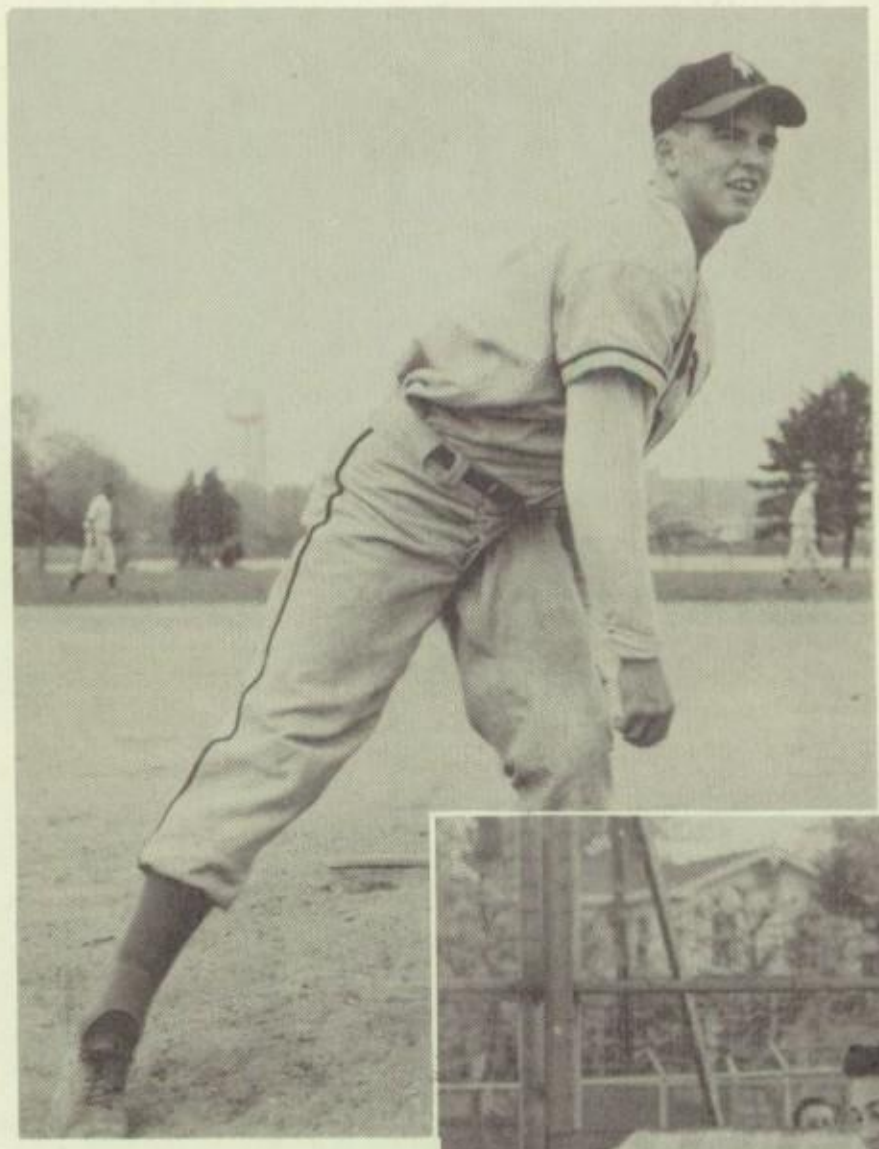
Asbury's finest, Lee Owen



BASEBALL

If nothing else, Coach Ray Adkin's 1956 baseball team was probably the most publicized in the United States.

This was primarily due to the presence of All-State hurler Lee Owen. Lee gained national attention when he pitched three no-hit games and generally set the opponents on their collective ears time after time. Immediately he was besieged by interviewers from newspapers, radio and TV who were impressed, not only with his handling of the fast ball and curve, but with his mature outlook.

Every major league team showed an interest in Owen. In twelve games he struck out 140, walked a scant ten and gave up just 22 hits. His earned run average was 0.43.

Owen was not alone however. Nate Bruno, third-baseman (.415), Sam Patterson, second-baseman, (.375), Dave Gibson, catcher (.327), and outfielder Tom Steckbeck (.311) aided him considerably. Bruno was an All-State choice in Group Four circles; Gibson and Patterson received second team honors and the entire quartet joined Owen on the All-Shore team.

Burce Socolow compiled a 3-1 record as Owen's understudy. His only loss was a two-hitter to Thomas Jefferson.

TRACK

Led by All-Staters Charlie Smith and Karl Mayer, the 1956 Track Team completed its best season since 1953. They were undefeated in dual-meet competition and won the Monmouth-Ocean County and the State Conference championships. They also fared well at the Long Branch Relays and the Penn Relays.

Karl Mayer was undefeated in dual-meet competition for two years in a row in three events: the javelin throw, the shot put, and the discus throw.

Charlie Smith was state high jump champ for two years but because of an injury did not compete in 1956.

The other senior boys who contributed to the success of the season were Paul Bloom, mile run; Frank Wojciechowicz, pole vault, and hurdles; Frank White, 100 yd.-220 yd. dashes; Richard Disbrow, 100 yd.-220 yd. dashes; Enrico Fortunato, pole vault; Steve Smith, 440 yd. dash and javelin throw; John McGlone, 440 yd. dash; Cliff Miller, pole vault.

The Menagerie

TENNIS

The Asbury Park High School tennis team, under the tutelage of Mel Holmes, enjoyed a mildly successful season in 1956, finishing third in the Central Jersey standings.

Ivor Braka, the Bishops' first man, lost but three matches all year, two to State Champion Dick Emory of Red Bank Catholic.

He joined with Ronnie Goldstein and Steve Niesen, the other two singles men, to form the first doubles combination, Niesen was only a freshman.

The second doubles team, composed of Phil Freedman and Earl Laing, was defeated only once during the season. The pair had remained together through three years of Varsity competition.

Jay Gaines, sixth man on the team, and Steve Niesen are the only returning lettermen.

It's a home run!

Take your marks!

CROSS COUNTRY

The 1956-57 Cross Country Team, coached by Gus Villapiano, had a good turn out this year when 45 boys came out for the first practice.

The Varsity Team, led by the three rugged harriers Don Martin, Ed Garrett, and Bill Waldeyer ran to a 5-3 record and copped one second place in the regular season. Although Martin and Garrett placed high in the Central Jersey and State Meets, the rest of the Varsity did not fare as well.

The Jay Vees, led by Joe Renzella, Dave Brantley, and Manfred Geiger, went on to an undefeated season, knocking off some of the best teams in the state with an 8-0 record.

The Freshmen, with Herman Jones, Ed Shepard, and Barry Druesne compiled a 1-3 record. But despite their lack of success, there are many prospects on the team for next year's teams.

BLUE A'S

GYM LEADERS

Every year a corps of gym leaders, thirty-five girls, is chosen. These girls must meet certain requirements which are as follows: good health, leadership, scholarship, physical skill, honesty, sportsmanship, and participation in the after school sports program.

The duties of these leaders are to assist in taking class attendance, distribute equipment, officiate at games, check locker rooms, instruct novices, and in general, help the teachers in any way possible.

The largest organization in the school is the girls' athletic association known as the Blue A's. Any girl wishing to participate in any athletic event may become a member. Its purpose is to promote an interest in girls' athletics, and to raise money for the awards given to outstanding participants.

"A sport for every girl and a girl in every sport" is the motto of the Blue A's. Hockey, tennis, bowling, softball, tumbling, volleyball, badminton, and basketball are the sports in which members of the Blue A's may participate.

The president of the Blue A's this year is Mary Pregnall; Vice-president and secretary, Cappy Pregnall; and treasurer, Gail Thompson.

All girls' athletic instruction is given by the two Physical Education teachers, Mrs. Shaw and Mrs. Rinehart.

SOFTBALL

SOFTBALL – Back row L. to R: Candy White, Peggy Young, Karen Vandersloot, Eleanor Di Lieto, Dolly Burr, Sarah Massey, Jo Ann Schechterle, Elaine Thomas, Brenda Rice, Inez Beauford, Barbara Morris, Betty Morris. Next row: Marilyn Higinbotham, Pat Rose, Kathy Sherwood, Tina Fornarotto, Cappy Pregnall, Mary Pregnall, Martha Leonard, Barbara Antich, Anita Murphy, Virginia Bessette, Gail Thompson, Carolyn Jones. Front row: Lois Watson, Carol Dobbins, Georgia Lane, Jeanne Spencer, Nancy Fieber, Nancy Pittenger, Joan Hamernick, Margie Kemp.

Softball is a popular sport in both the Fall and the Spring. In the fall it is played only in the Phys. Ed. classes. However in the Spring the girls play both in the classes and after school.

The after school program is organized according to classes. Parctices are held, skills are taught, and, then, after a specific number of practices class teams are chosen. These teams engage in intramural games. As in basketball, all officiating is done by student officials.

BASKETBALL

BASKETBALL TEAM - Back row L. to R: Inez Beauford, Barbara Morris, Marlene Kuchen, Beverly Furlong, Barbara Bond, Barbara Mazza, Karen Kellers. Front row: Virginia Bessete, Martha Leonard, Sue Dorfman, Brenda Rice, Barbara Antich, Carole Shertzer, Betty Burckard.

Basketball is one of the most popular team sports for girls. A.P.H.S. has a combined intramural and interschool program. There is an opportunity for any girl who wishes to participate to join a team.

The first squads in each class are the only ones who participate in interschool games. They are the "Cream of the Crop" and are chosen on the basis of attendance at practices and personal skill. Needless to say, sportsmanship is essential. At the end of the year the Juniors and the Seniors compete for a trophy.

The interschool games played this year were with Rumson, Red Bank, Long Branch, Leonardo, and Point Pleasant.

HOCKEY

HOCKEY - L. to R: Pearline Moore, Brenda Rice, Tina Fornarotto, Grace Walther, Sheila Fee, Georgia Lane, Virginia Bessete, Gail Thompson, Barbara Antich, Cappy Pregnall, Martha Leonard, Mary Pregnall, Anita Murphy.

Hockey is a rugged outdoor sport requiring great stamina and skill. Due to the large number of students in Phys. Ed. classes, this is purely an extra-curricular activity. The first practices are devoted to the teaching of skills with great stress on safety including proper use of sticks and ball. When these things are learned, the rules are explained and play begins.

This year our teams were very successful in their games with Rumson, the only other shore school which sponsors the sport. Asbury's record was three wins and one tie in four games.
